CALL FOR SPEAKERS SUBMISSION FORM

Thank you for your interest in speaking at LogicGate's 2025 Agility Conference! This industry event brings together leaders and innovators in governance, risk, and compliance (GRC) to share expertise, best practices, and actionable insights.

Please complete the form below to be considered as a speaker.

SESSION CRITERIA

To help us evaluate your submission, ensure your proposed session meets the following criteria:

- **Innovative Approach**: Does the session provide new perspectives, strategies, or methods in GRC or using LogicGate's Risk Cloud?
- **Actionable Takeaways:** How will attendees walk away with practical tips or strategies they can immediately apply to their GRC practices?
- **Engagement:** Does the session encourage audience interaction or participation?
- **Relevance:** How does the session address current challenges in governance, risk management, or compliance? Does it align with industry trends?
- **Case Studies & Real-World Examples:** If applicable, sessions should include real-life examples, case studies, or success stories that provide context and depth to the content.

SUBMISSION DEADLINE

All submissions must be received by December 20, 2024. Selected speakers will be notified by January 17, 2025.

SPEAKER INFORMATION

Full Name:

Job Title:

Company:

Email Address:

Phone Number:

Speaker Bio

- Provide a brief bio highlighting your professional background, relevant experience in GRC, and your expertise with Risk Cloud or other GRC technologies.
  (Limit 500 characters with spacing)

Previous Speaking Experience (optional)

- Please list any conferences or events where you have previously spoken, including session titles and formats. If possible, include links to recordings or materials.
  (Limit 500 characters with spacing)
SESSION DETAILS

Proposed Session Title:

(Titles should be clear, concise, and captivating.)

Session Format:

- ☐ Breakout Session (30 min)
- ☐ Workshop (60-90 min, interactive)
- ☐ Panel Discussion (45-60 min)
- ☐ Fireside Chat (30 min)
- ☐ Keynote (20-30 min)

SESSION DETAILS CONTINUED

Track (select one):

- **Leadership & Strategy** - Empower leaders to shape the future of GRC through sessions on aligning initiatives with business goals for lasting success. Thought leaders and executives will share insights on fostering a risk-aware culture, optimizing decision-making, and driving growth with effective risk and compliance frameworks.

- **Industry Spotlight** - Discover GRC challenges and opportunities across industries. Experts from finance, healthcare, tech, and manufacturing will share sector-specific insights, best practices, regulatory trends, and innovative risk management approaches, offering actionable strategies for today's top GRC issues.

- **Practitioner's Toolkit -** For hands-on GRC professionals, this track delivers practical tools and methods to enhance daily risk management efficiency.

- **Emerging Technologies** - Explore how cutting-edge tech like AI, blockchain, and advanced analytics is transforming GRC. Industry leaders will share strategies for leveraging these innovations to enhance risk management, compliance, and decision-making while addressing associated challenges.

- **LogicGate Product Innovation & Optimization** - Unlock the full potential of LogicGate's Risk Cloud platform. Get a preview of product updates, explore new features, and learn optimization tips. Sessions cover real-world applications, customer success stories, and driving business value through new tools, automation, and integrations.
